Water Sustainability Planning Requires More than the Wet Stuff—It Takes a Village

**Tuesday, July 24, 2018
5:30 - 7:00 P.M.**

How does a region that encompasses nearly 5,000 square miles develop a comprehensive plan for long-term water management and select key projects? Through extensive community input and participation called the Integrated Regional Water Management Plan and other associated key planning documents. Learn how you can participate and advance the water programs and projects that keep the region sustainable. Lance Eckhart, MWA's Director of Basin Management and Resource Planning, and Jeanette Hayhurst, Chairperson of the Technical Advisory Committee will be the featured speakers.

Refreshments will be served. Seating is limited, so register now to attend. Please email Gloria Golike at ggolike@mojavewater.org or contact her at (760) 946-7001. The deadline to register is July 23, 2018.

Hosted by: Mojave Water Agency
