

How to Winterize your Home Inside and Out

October 14, 2017
9:00 AM to 11:00 AM

It's FREE!

This hands-on class will show participants how to winterize a home both inside and out.

Some of the topics covered will be:

- What steps to take to conserve energy by winterizing the home.
- How to properly insulate water pipes so they don't freeze and bust during those cold winter days.

SPACE IS LIMITED. RESERVE YOUR SEAT TODAY!
