Based upon feedback at a Public Hearing on March 27, 2019, the Mojave Basin Area Watermaster requested three workshops to allow stakeholder engagement on the recommendation for Free Production Allowance for Water Year 2019-2020.

Anyone interested can participate in the workshops in-person, via conference line, or listen to the recordings once available on our website (www.mojavewater.org).

If you have any questions, please feel free to contact the Mojave Water Agency at 760-946-7000.
